A Big Sum

You need one set of small number cards.

❍ Place a card in each of the boxes to make a sum which is correct. One way is shown on the right, with a total of 1089.

❍ Make a total of 1089 another way.

❍ Make other totals and record each one.

❍ Make the largest total you can.

$$
\begin{array}{r}
4\ 3\ 2 \\
+\ 6\ 5\ 7 \\
\hline
1\ 0\ 8\ 9
\end{array}
$$

+
